

Why Should I Register?

Written by Barbara Carroll
Friday, 03 September 2010 15:06 -

Registration enables you to access member only content including:

- Member Only Resources
- Upload Utilities to MapInfo Extensions
- Modify/Delete user submitted material
- Articles on Members Projects
- Searchable member list
- Submit your own News articles
- Submit weblinks

Registered users are only viewable by other registered users. The registered user list will not be sold or distributed.
